K. Chenna Basappa of Sivalinganahalli village of Harpanahalli taluk was granted in 1923 a loan of Rs. 500/- for the removal of nuth-grass in S.No. 337 A and 350 of the same village, on the security of the lands to be improved. As the borrower could not pay the loan instalments summary recovery was ordered in 1933 and the lands were brought to sale. Sales were tried on nine occasions but none of these has been successful. The last sale was held on 17-12-1935 and no bids could be secured although this sale was held by the Tahsildar himself. Lack of demand for lands on account of the general economic depression, the tightness of the money market and the general indebtedness of the ryots who have no means to cultivate their own lands are the reasons for want of bids. The defaulter possesses no moveable or other immoveable property that can be proceeded against and he is reported to be eking his daily livelihood as a labourer.

2. The amount outstanding collection is Rs.338-8-3 exclusive of interest from F 1342. In the above circumstances

circumstances I recommend that the amount may be writtenoff the accounts. A 14 B statement and all the connected records are enclosed.
